Memorandum of Understanding
Between

Shri Shivaji Science College, Amravati-444603

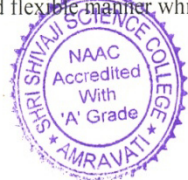

&

Dr. Panjabrao Deshmukh Memorial Medical College, Amravati

The Shri Shivaji Science College, Amravati and Dr. Panjabrao Deshmukh Memorial Medical College, Amravati wish to initiate collaboration in training and placement through new innovative B.Voc. Course in Forensic Science providing Skill Based Education under National Skill Qualification Framework (NSQF) and recognized by the UGC, New Delhi and SGB Amravati University, Amravati.

Preamble

It is estimated that by 2025, India will have 25% of the world's total workforce. In order to harness the full demographic dividend, India needs high quality educational system which is affordable, flexible and relevant to the individuals, as well as to needs of the society as a whole. Today, the country faces demand-supply mismatch as the economy needs more 'skilled' work force as also the managers and entrepreneurs than produced annually. The higher education system has to incorporate the requirements of various institute/lab/industries in its curriculum, in an innovative and flexible manner while producing well groomed graduates.

In view of this UGC implemented the scheme for providing Skill Based Education under National Skill Qualification Framework (NSQF). This scheme should play a vital role to minimize the gap of demand-supply of institute/lab/industries.

Shri Shivaji Science College, Amravati wish to initiate a relationship with the need of Forensic based groomed graduates to the institute/lab/industries. It has been seen that when Forensic skill based knowledge need institute/lab/industries requires the fresh skilled personnel in specific area, rarely they ets skilled human resource as per their need. Many times they have to provide additional training to students after selecting them. We wish to work sincerely to extend education & training to the students through such programmes having its curriculum as per recent demands of the of institute/laboratory/industrial sector.

Objectives

The goal of this MoU is to begin and/or to expand a framework of cooperation between COLLABORATOR and Dr. Panjabrao Deshmukh Memorial Medical College, Amravati.

The objectives of this MoU are

1. To design educational programmes considering the need of institute/laboratory/industrial sector.
2. To help in developing the curriculum for the educational programmes.
3. To provide projects to give live work experience to students during last semester of the course.
4. To provide training of the specialized area/subjects to students as and when required.
5. To train teaching facilities through workshops/short term courses from time to time.
6. To provide the employment to the students as per the institute/laboratory/industrial sector.
7. To create skilled human resource as per the need of private laboratory, institute and Government Forensic Laboratories.

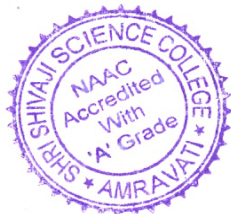

Validity Period

- This MoU shall be valid for a period of five years from the date of signing.
- At the end of validity period of the MoU, a fresh MoU with similar /modified terms may be considered for signing.

Arbitration Clause

In case of any dispute relating to any aspect of academic cooperation, Principal, Shri Shivaji Science College, Amravati and Dr. Panjabrao Deshmukh Memorial Medical College, Amravati will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.
