To,
The Principal,
Shri Shivaji Science College,
Amravati.

Subject: Request for Permission to organize 10hrs "Bridge course for First Year Student in the subject of Computer Science".

Through: IQAC

Respected sir,

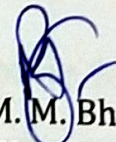

With reference to above cited subject, we the department of computer science want to schedule a bridge course titled "Bridge Course for First Year in the subject Computer Science" from 18-Oct-2021 to 23-Oct-2021 i.e., of **10 hrs**. This is a course for students of first year those have chosen subject Computer Science or Computer Application (Vocational) while taking admission in our college.

Many students from first year are from different background. The main aim behind this course is to provide very basic knowledge of computer to student which becomes useful to students those are from non-computer background. Also, student become familiar with the Department.

Herewith, I am providing the brochure containing Announcement, Time Table and Content of the Course. It is kind request to you sir, please give us permission to proceed.

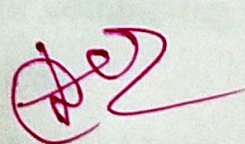

Thanking you!

Regards,

Mr. M. M. Bhonde

**10 hrs Bridge Course for First Year Students in the subject of
Computer Science [BCDoCS_21-22]**

About Course:

A Bridge Course for newly admitted students of Computer Science is conducted at beginning of first semester usually before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at Pre-University level and subjects that they would be studying in the Graduation level.

Bridge courses are advanced courses designed especially for students taking an advanced course for the first time. These courses offer more attention to basic concepts in computer science than do other advanced courses.

Course Objectives:

- The course is designed to aim at imparting a basic level appreciation programme for the first year Computer Science students.
- After completing the course the incumbent is familiar with Computer devices.
- Students able to use the computer for basic purposes of preparing letters, viewing information on Internet (the web), sending mails, using internet banking services etc.
- This helps the students to maintain their small account using the computers and enjoy in the world of Information Technology.

Resource Faculty from our department:

1. **Mr. M.M. Bhonde**, H.O.D.
2. **Dr. U.S. Junghare**, Assistant Professor
3. **Mr. Y.V. Hushare**, Assistant Professor
