

1. Webinar on - Environmental Research and Urban Mobility in Amravati.

Report

Parisar society of Pune in collaboration with Department of Environmental Science, Shri. Shivaji Science College organized webinar **on dated 19th May 2021** on the topic- “Environmental Research and Urban Mobility in Amravati” to reach the voice of urge to encourage students, society and Govt. authorities improve the public transport system by increasing the number of buses as per standard ratio. For this panel discussion was organized in Dr. Sangita Ingole, Head, Dept. of Environmental Science was participated as a panelist along with Dr. Nishikant Kale, Prof. Ram Meghe College of Engg. and management, Badnera; Yadav Tarter Patil, Writer & Environmentalist; Praful Sawarkar, Environmentalist and Yashraj Ingole, Research Scholar,,Prof.RamMeghe College of Engg. and management, Badnera. Panelists expressed their views. Dr. S.P. Ingole focused on the pollution caused due to automobiles. Dr. Nishikant Kale Informed about the carbon footprints in detail. Yadav Tartepatil expressed the need to save biodiversity from air pollution and Praful Sawarkar guided about the various diseases. Parisar officials informed that there is need of 50 buses per one lakh population.

Brochure of the Webinar

The brochure is a vertical rectangular poster with a white background. At the top left, it says "Engage for Environment Series" and "Webinar 1". At the top right, it says "19th MAY 2021, 4 PM" and provides links for live stream and Zoom. The main title "Environmental Research and Urban Mobility in Amravati" is in large, bold, black font. Below the title is a stylized illustration of a person with a large head and a small body, sitting at a desk with a laptop. A speech bubble next to the person contains the Marathi text "सिटी बस" (City Bus). At the bottom, there are five columns of text, each listing a panelist's name and affiliation. At the very bottom, there are logos for "Lakh ko 50 Bus Campaign", "परिसर" (Parisar), "In collaboration with" (with a small circular logo), and "SUM Net India".

3. Essay/ Article / Blogging Competition on the theme “Solution to Carbon Emission”

Report

The activity was conducted on the eve of **National Science Day -2021** which was about to be celebrated in the college on **28thFeb.2021**. The NSD committee provided lists of activities among which dept. has to choose one activity, which can be done in online mode. Brochure of the activity was sent on students what's app group and asked to write their views on the theme of the activity i.e. “Solution to Carbon Emission” in the form of Essay/Article or Blog in 200 to 500 words and send it to the e-mail given in the brochure. 18 students participated in the activity. Most of the students sent the essay on the theme of the competition. All the write-ups were scrutinized by the experts and 1st, 2nd and 3rd winners were declared. The e-certificates were provided to all the participant students. It was decided by the NSD Committee that winner students will be provided hard copy of the certificate when college will reopen after lockdown.
