## Name of the Event: Blood Donation Camp

Date: 14 February 2019

No. of students participated: 84

On the occasion of valentine day, NSS volunteers decided to arrange “Blood Donation Camp” with the help of Dr. Panjabrao Deshmukh memorial medical college Amravati. Dr. Rajesh Burange, NSS coordinator of Sant Gadge Baba Amravati University and Dr. V.G. Thakare Principal was present in the function. About 81 bottles of blood were collected for the sake of humanity. Students and all staff participated in the whole event and made the event very successful. An adequate amount of blood is needed in all health care facilities to meet the urgent need for patients facing trauma and other lifesaving procedures, such as blood transfusions – which saves millions of lives each year. Every day, blood donors help patients of all ages: accident and burn victims, heart surgery and organ transplant patients, and those battling cancer.

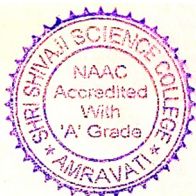

**Impact:** Blood donation is definitely a noble act. Many clinics and hospitals constantly require blood for several purposes. This makes the idea of blood donation a noble gesture as it provides life-saving help to people and patients. On an average, human body contains approximately 4 to 5 liters blood that can be donated after every third month for men and every 4 months for women and this awareness created by arranging such camps.

## List of students Participation

S.N.	NAME OF THE STUDENT	CLASS	ENROLLMENT NO.
1.	ADESH PURUSHTTAMRAO DUKARE	B.Sc. I, CEZ	MH-03-118-18-001
2.	AKASH DIPAK NALGE	B.Sc. I, PCM	MH-03-118-18-002
3.	ANIL RAM GORE	BCA I	MH-03-118-18-005
4.	DHIRAJ RAJENDRA KONDE	BCA I	MH-03-118-18-010

Date: 14 February 2019

## Name of the Event: Pulse Polio Campaign

Date: 28 January 2019

No. of students participated: 100

On the occasion of “Pulse Polio Vaccination” on 28 January 2019, NSS volunteers attended vaccination Program at Primary Health Centre, PHC at village Naya Akola during the NSS Camp. All volunteers have door to door visited all homes of the village and made awareness campaign regarding vaccination. Girl volunteers have helped the PHC staff for assisted in distribution of oral vaccine for small kids. The Pulse Polio Initiative was started with an objective of achieving hundred per cent coverage under Oral Polio Vaccine. It aimed to immunize children through improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain high level of morale among the public. The children below the age of five benefited from the Pulse Polio Programme by the Government of India. Children in the age group of 0-5 years administered polio drops during National and Sub-national immunization rounds (in high risk areas) every year. About 172 million children are immunized during each National Immunization Day (NID)

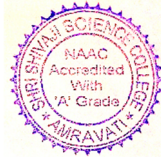

**Impact:** Volunteers succeed to make awareness among the villagers about polio as there is no cure for polio, it can be prevented by taking vaccination at regular intervals, up to the age of five. Pulse polio vaccination took initiative to make sure that every children below five years of age must be given polio vaccine timely across society.

# Name of the Event: International Yoga Day

Date: 21 June 2019

No. of students participated: 51

The International Yoga Day was celebrated on 21st June 2019 in college campus and at Hanuman Vyayam Prasarak Mandal Amravati. All the teaching, non-teaching staff and students enthusiastically took part in three day yoga training camp was organized by NSS under the guidance of yoga teacher Shri. Vishwasji Jadhav and with the collaboration of dept. of physical education and with the hands of Hon. Principal Dr. Vijay Thakare. Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well-being. Let us work towards adopting an International Yoga Day. Teachers, non-teaching staff and students of the college spontaneously participated in this health awareness camp and propagated the program among the society.

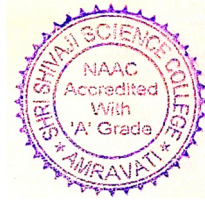

**Impact:** Yoga can help all of us by reducing stress and adding confidence to help and make our mind clearer and produce a sense of peace. Many students find that yoga helps with controlling emotions and increases the ability to deal with situations that are frustrating.

## Name of the Event: Tree Plantation Program

Date: 30<sup>th</sup> July 2019

No. of students participated: 45

On 30th July, 2019 to mark the Tree Plantation Day 150 saplings were planted on the college premises and vacant land at Kathora road under the Maharashtra Government's "33 Crore Tree Planting" project with the participation of social forestry department. President of Shri Shivaji Education Society, Hon'ble Harshvardhanji Deshmukh, Vice President Hon. Adv. Gajanan Pundkar, Secretary Hon. Khade, Principal Dr. V. G. Thakare were present on the occasion. Tree plantation is one of the best activities for making the planet greener, livelier, and healthier. Planted trees help our biodiversity, ensure the supply of oxygen for the next generations, and provide us with various resources. Without trees, the existence of human life, as well as other species on earth, is impossible. So, we should plant more and more trees. Tree plantation has many advantages on the earth and our wellbeing. We as a whole inhale oxygen to live, and trees are the main characteristic source of oxygen. Tree plantation guarantees that the supply of oxygen never ends.

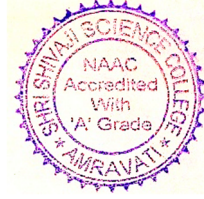

**Impact:** Tree plantation additionally urges vegetation to develop. Birds make their homes in the trees, subsequently adding to the beauty of nature. Birds additionally scatter seeds and pollen on the ground, resulting in the development of different plants. So, tree plantation expands the bio-diversity of a specific region.
