**NATIONAL SERVICE SCHEME  
ACTIVITY REPORT  
2019-2020**

# Name of the Event: Water Conservation: Construct of Bund / Bandhara

Date: 04 January 2020

No. of students participated: 100

National Service Scheme organized special camp for students in the village Kamunja near Walgaon to cope and understand with ground situation of rural society under the guidance of Principal Dr. V.G. Thakare. Under “Water Conservation Mission” National Service Scheme volunteers construct a 30 ft. long , 3 ft high and 2 ft wide bund / embankment at adopted villages like Naya Akola and Kamunja every year. Collected water passes through the channels made for run-off and collected in the adjacent dam developed by forest department. This collected water is used for watering of forest trees of 5 to 6 acres. Also collected water recharges the tube wells which are in campus. This practice improves the ground water table effectively. Population, household size and growth and affluence all affect how much water is used. Factors such as climate change will increase pressures on natural water resources, especially in manufacturing and agricultural irrigation. It is very important to realize the need for water conservation in the community as well as personal level.

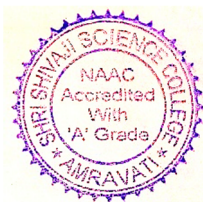

Impact: It is very important to realize water conservation benefits and also to implement those in our day to day life. Water conservation encompasses the policies, strategies and activities to manage fresh water as a sustainable resource, and efforts to protect the water environment while maintaining a balance between current and future human demand.

## List of participating students

| Sr. No | Name of the Student               | Class          | Enrollment Number |

**NSS Program Officer  
Dr. Tushar Wankhede**

Date: 04 January 2020

# Name of the Event: Blood Donation Camp

Date: 14 February 2020

No. of students participated: 84

On the occasion of valentine day, NSS volunteers decided to arrange “Blood Donation Camp” with the help of Dr. Panjabrao Deshmukh memorial medical college Amravati. Dr. Rajesh Burange, NSS coordinator of Sant Gadge Baba Amravati University and Dr. V.G. Thakare Principal was present in the function. About 81 bottles of blood were collected for the sake of humanity. Students and all staff participated in the whole event and made the event very successful. An adequate amount of blood is needed in all health care facilities to meet the urgent need for patients facing trauma and other lifesaving procedures, such as blood transfusions – which saves millions of lives each year. Every day, blood donors help patients of all ages: accident and burn victims, heart surgery and organ transplant patients, and those battling cancer.

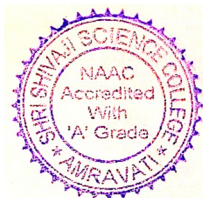

**Impact:** Blood donation is definitely a noble act. Many clinics and hospitals constantly require blood for several purposes. This makes the idea of blood donation a noble gesture as it provides life-saving help to people and patients. On an average, human body contains approximately four to five litres blood that can be donated after every third month for men and every four months for women and this awareness created by arranging such camps.

*T. Wankhede*

**NSS Program Officer  
Dr. Tushar Wankhede**

Date: 14 February 2020

# Name of the Event: AIDS Awareness Program

Date: 1 December 2020

No. of students participated: 100

As a Member of Red Ribbon Club, every year, on 1st December, World AIDS awareness program was organized by Red Ribbon Club and NSS unit of the college on the occasion of “World AIDS Day”. In NSS Camp at village, Kamunja AIDS awareness campaign was run and oath was taken by the students in collaboration of District General Hospital. Red Ribbon Club is a movement started by the Government of India in schools and colleges through which, students will spread awareness over HIV / AIDS. It envisages to instil charity mind among all the students to extend their able help towards developing healthy life styles, donating blood to all the needy by promotion of Regular voluntary blood donation. World AIDS Day is an opportunity to show solidarity with the millions of people living with HIV worldwide. Most people do this by wearing an HIV awareness red ribbon on the day. It’s an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness.

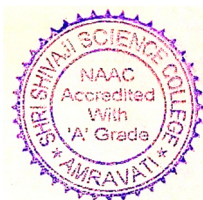

**Impact:** Awareness for HIV AIDS is important because it prompts the public and government that HIV has not gone away – there is still a vivacious prerequisite to elevation money, increase awareness, fight prejudice and improve education and make people aware for prevention and anticipation.

## List of participating students

| Sr. No | Name of the Student               | Class          | Enrollment Number |
