

The Wall of Humanity year 2018-19

18-8-2018

The Wall of Humanity is a new initiative launched by the Department of Physical Education and Sports to benefit the community and students in need. The initiative was started. As you know, one of the elements of the society is always seen piping for the necessities of life, whether it is clothes or some other necessities. This involves spontaneous response from the college principal as well as the teaching staff and all the professors as well as all the students who started this innovative project. Hands extended. The main purpose of this project was to help the needy. The initiative was inaugurated by the Hon'ble Principal and every unit of the college participated in it.

- **Students participated in program**
