COLLEGE COMMITTEES

Statutory & non-statutory

(W.E.F. 270325)

PREFACE

This Manual prepared by the IQAC is aimed at improving entire academic & governance related quality processes in the college through a systematic and efficient way of working of the various Committees, cells and forums. Also, the IQAC, through these well-structured committees, is promoting decentralized and inclusive governance in the college.

Committees are categorized as statutory and non-statutory committees. Non-statutory committees are further categorized as –

1. Academic Program Development & Quality Enhancement (APDQE) Committees
2. Students Learning & Outcome Enhancement (SLOE) Committees
3. Research, Innovation and Outreach Enhancement (RIOE) Committees
4. Infrastructure Development & Maintenance (IDM) Committees
5. Student Support and Facilities Enhancement (SSFE) Committees
6. Governance, Planning, Quality Assurance & Human Resource Training & Development Committees (GPQHRD) Committees
7. Institutional Values Promotion (IVP) Committees

All committees are expected to work honestly for fulfillment of the committee objectives and should monitor their own performance through periodic review meetings.

The IQAC, on approval from the CDC, can restructure the committees and amend the objectives and functions of the committees whenever it is necessary.

Dr. G.V. Korpe

Principal & Chairman IQAC
