Memorandum of Understanding (MoU)
between the parties
Winspage Envoy OPC Pvt Ltd, Amravati &
P. G. Department of Bioinformatics, Shri Shivaji Science College,
Amravati.

Date: 05 July 2023

This Memorandum of Understanding (MoU) between Winspage Envoy OPC Pvt Ltd (hereinafter referred to as "the Company") and the Post-Graduate Department of Bioinformatics, Shri Shivaji Science College Amravati (hereinafter referred to as "the Department"), with the aim of fostering collaboration and enhancing the practical skills of the students, outlines the mutual understanding and cooperation between the Company and the Department, with the objective of providing training opportunities to the students of the Department in various industry-relevant areas. The Company intends to impart knowledge and practical skills in the fields of its operations such as web development, IT and ITES,

content writing, digital sales and support, marketing, graphics designing, social media management, and stock market investing and trading to the students of the Department.

The key provisions of this MoU are as follows:

1. Duration:

- a. The MoU shall be valid for a period of July 2023 to June 2028.
- b. The training program for the students shall be conducted over a duration of three months.
- c. The duration of training program will include college holidays and college working days as well. It is warranted by the Company that utmost care will be taken to avoid time clashes between college hours and training program hours.

2. Training Program:

- a. The Company agrees to conduct comprehensive training sessions, workshops, and practical assignments in the aforementioned areas.
- b. The training program shall be designed to enhance the students' skills and provide them with industry-relevant practical knowledge.
- c. The Department shall facilitate and coordinate the participation of its students in the training program.
- d. This training program will include active participation from students in the form of daily task-accomplishments and work experience.
- e. The training program will include a mixture of online sessions as well as offline sessions as and when required.

3. Internship:

- a. The Company shall offer unpaid internships to the students under the training program with satisfactory performance.
- b. The internship duration shall be three months, alongwith of the training program.
- c. During the internship, the students shall be provided with practical work experience and exposure to real-world projects.
- d. After the successful completion of Internship, the Company will provide employment opportunities either directly or via relevant partner's network; and will also guide the students for successful interview qualification, as per the respective student's consent.

4. Internship Certificate:

- a. Upon successful completion of the internship period, the Company shall provide each intern with an internship certificate.
- b. The internship certificate will acknowledge the intern's participation, duration, and satisfactory performance during the internship.

5. Responsibilities:

- a. The Company shall allocate appropriate resources & trainers to conduct the training program effectively.
- b. The Department shall identify eligible and interested students and provide necessary support, information & encouragement throughout the program.
- c. The Department shall ensure that the participating students comply with the host regulations, and code of conduct by the Company during the training and internship.

6. Confidentiality:

- a. Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the training program or internship.
- b. The students shall be required to sign any necessary internship agreement & non-disclosure agreement or confidentiality agreement, as specified by the Company.

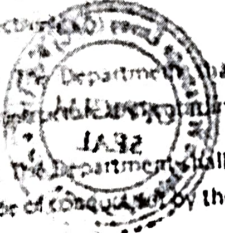

7. Termination:

- a. Either party may terminate this MoU by providing written notice of 30 Days in advance.
- b. In the event of termination, all obligations and commitments until the termination date shall remain valid and binding.

8. Amendments:

Any amendments or modifications to this MoU shall be made in writing and mutually agreed upon by both parties.

This MoU is subject to the laws and regulations governing the respective jurisdictions of the Company and the Department. Both parties shall exercise due diligence and good faith in fulfilling their obligations under this MoU.
