

COACHING CAMPS

The teachers of the department provide coaching to players of various sports associations in amravati and yavatmal districts .

The staff working in the physical education and sports department of the college is a state, national level player himself and has graduated as a sports coach from Netaji Subhash Chandra National Institution of Sports Coaching in the field of sports training. In order to benefit the students who are playing at different levels of their experience in the field of sports, both the directors of physical education working in the college are coaching their sports with regular expertise. Athletes are receiving medals at the state and national level through sports training. Not only that, they provide their services free of cost as expert guides in sports training camps organized at various places and through them try to coach sports related players at all levels.

The coaches in the sports department are organizing facilitation training classes keeping in view the main objective of coaching to see the skills of the players at different levels as well as to prepare them for the next tournament with proper guidance. Every year 350 TO 400 students participate in the game. Students of different ages participate in the game and learn sports skills.
