

DEPARTMENT OF GEOLOGY
SHRI SHIVAJI SCIENCE COLLEGE, AMRAVATI.

World Water Day

(March 22, 2021)

Department of Geology, Shri. Shivaji Science College, Amravati conducted an online awareness program on the occasion of 22nd March 2021 World Water Day. World Water Day celebrates water and raises awareness of the people living without access to safe water. It is about taking action to tackle the global water crisis. The theme of day was Valuing Water. Valuing water means recognizing and considering all the benefits provided by water – including economic, social and ecological dimensions. In realizing these benefits, there is significant potential to trigger systemic change, with water valuation driving decision-making that protects freshwater sources and ensuring water allocation reaches its most productive, equitable and environmentally sustainable use and consumption. Today, water is under extreme threat from a growing population, increasing demands of agriculture and industry, and the worsening impacts of climate change.

The program was anchored by Shri. Saurabh Paunikar, & introduced by Dr. Mayura M. Deshmukh. For this program 15 students were present. Departmental teachers and Geology Student exchanged ideas focusing on water value and sustainable use of water resources. This medium has been used to spread more information and communication about water value among the students. Some eye-opening short films were shown by the Department of Geology as part of the initiative. Students has Exchanging ideas so as to concentrate attention on value of freshwater and encourage the sustainable use of freshwater resources. Some eye-opening Short Films shown by Department of geology as a part of initiative.

The image shows a Google Meet interface. At the top, there are browser tabs for 'Dushkalashi Don Haat', 'WATER SHORT FILM 2019', 'Water saving techniques', and the current Meet session. The address bar shows the Meet link. Below the browser, the Meet header indicates 'You are presenting' with a profile icon. The main area is a video feed of a man with a mustache, wearing a dark t-shirt with the text 'THE ADVENTURES STARTS NOW'. He is in a room with maps on the wall. In the bottom left of the video area, the date and time '2021-03-22 13-59-53' and the name 'Swami Deshmukh' are displayed. Below the video is a media player for 'World Water Day' with a progress bar at 00:19:33. A notification bar says 'meet.google.com is sharing your screen.' with 'Stop sharing' and 'Hide' buttons. At the bottom, the Windows taskbar is visible with a search bar and various application icons.
