LETTER OF COLLABORATION

BETWEEN

GROUNDWATER SURVEYS AND DEVELOPMENT AGENCY (GSDA),
AMRAVATI

AND

DEPARTMENT OF GEOLOGY

SHRI SHIVAJI SCIENCE COLLEGE, AMRAVATI

In line with the development of a friendly cooperation in accordance with our mutual interest in developing programmes of Academic and Scholarly exchanges and for the purpose of establishing long-term mutual beneficial association, Groundwater Surveys and Development Agency (GSDA), Amravati and Shri Shivaji Science College, Amravati joins in the following letter of collaboration. The collaboration will be of ~~two~~ two years from the date of collaboration. Both the parties agree to exercise their best efforts to develop the following forms of cooperation:

1. Promote mutual understanding and academic collaboration
2. Establish ties of friendship and cooperation
3. To provide insights regarding outcomes and benefits based on the success and challenges of the research experience
4. To deal with the challenging issues for institutes of higher education
5. Organizing the Trainer programs to develop skilled manpower, course curriculum review, internship for students' technology updates, support in establishing laboratories and research projects

The objective of collaboration is to promote a mutually beneficial partnership between the parties in the field of Geology and to explore the possibilities in Geology, Groundwater survey and to spread awareness among the society regarding this, and to help the better understanding and appreciation of the Earth sciences & Initiate research in the field of Geology and Groundwater.

Groundwater Surveys and Development Agency (GSDA), Amravati and Shri Shivaji Science College, Amravati are committed to work together to develop specific agreement on the points mentioned above. This agreement will provide logistical and managerial details appropriate to the successful operation of the program.
