About Shri Shivaji Science College, Amravati:

Shri Shivaji Science College, Amravati is an educational institute run by Shri Shivaji Education Society, Amravati. The college was established in 1969. Now Shri Shivaji Science College, Amravati evolved as premier institution for imparting formal education in the science stream and is affiliated with Sant Gadge Baba Amravati University, Amravati. The college offers Junior, under Graduate, Post Graduate, Research level education, Career Oriented Courses and B.Voc. Courses are also the part of the faculty of Science. The college is re-accredited by NAAC with 'A' Grade with a CGPA of 3.13(Third Cycle).The College has also earned a special reputation for being conferred with the status of a "College with potential for Excellence" by the UGC for second phase. The college is identified by DST, Govt. of India for FIST and Sant Gadge Baba Amravati University as lead College.

About Wildlife and Environment Conservation Society (WECS), Amravati:

It was about two decade ago the handful of individuals sharing a common interest in the study of vegetation, bird watching, walking tours or trekking in Melghat and environmental awareness activities resulted into formation of this Non Government Organization(NGO). Which was registered in 2001(Registration No.87/2001/Amravati) . In an age of multiple environmental problems it has become the need of the hour to study and work towards the conservation of wildlife, Environment and spread awareness among the masses. A slogan of the organization is "Join us to understand & save nature".

Main objectives of the Wildlife and Environment Conservation Society (WECS) Amravati -

1. Create awareness about the environment.
2. Generate interest towards the nature among the students and general public with the help of activities like bird watching, butterfly watching, trekking, nature and adventure camps.
3. Studies and research on diversity of flora and fauna.
4. Create mass awareness about the conservation of Forts Caves and other historic importance.
5. Create mass awareness about the legal aspects of wildlife conservation.
6. Create mass awareness about killing of snakes and poaching of birds.

Annexure- I

In joint venture following activities will be conducted-

- Organization of Guest lectures, slide shows, film shows and Photo Exhibition on Wildlife, Nature & Environment for the students.
- Regular organization of activities like bird watching, Nature trail & adventure camps to create interest among the students.
- Extensive study and documentation of Biodiversity of the region.
- Arranging lectures and slide shows to create awareness about poisonous and non poisonous snakes to students & Staff.
