INITIATION OF WOMENS DAY CELEBRATION IN COLLEGE BY Luminous Spark G.T.GROUP

Innovative Activity

With an aim to save the planet Earth, Guardian Teacher Committee celebrated Earth Day from 22nd April to 24th April 2021.

- ❑ The group leaders were asked to encourage the students of their Guardian-Teacher group to celebrate each day as EARTH DAY.
- ❑ Earth day celebration encouraged us to reflect on what we are contributing to make our planet a more sustainable and livable place.
- ❑ Students were asked to submit their photograph while planting, watering, hugging, appreciating the beauty, caring for nature.
