

COLLABORATION AGREEMENT/LINKAGE

Between

Shri Shivaji Science College Amravati

Department of Environmental Science

And

Jadhav Solar & Automotives Pvt. Ltd., Amravati, Maharashtra 444607

Dear Sir,

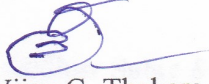

Established in the year 2015, Jadhav Solar & Automotives Pvt. Ltd. Opp. Rangoli Pearl, Ground Floor, Ashadeep Complex, Nawathe Square, Badnera Rd, Amravati, Maharashtra 444607 is a manufacturer of e-bike, e-rickshaw & e-rickshaw loader.

This well-known establishment acts as a one-stop destination servicing customers both local and from other region of Vidharbha. Over the course of its journey, this business has established a firm foothold in its industry.

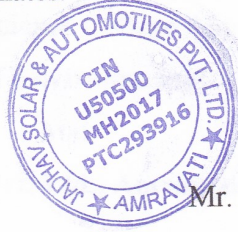

Today transport contributes approximately one quarter of all energy related carbon dioxide emissions to the atmosphere, which is set to reach one-third, growing faster than any other sector. To achieve a cleaner transport sector, a combination of measures needs to be implemented world-wide: better-designed cities; non-motorized transport facilities; more public transport; and cleaner and more efficient on-road fleets, including electric vehicles. Jointly organized activities create awareness and motivation in students to set their mind in the direction of environment protection and conservation. Awareness camp, road show, internship of students and guest lecture will definitely part of this collaboration in and outside the college campus.

Department of Environmental Science, Shri Shivaji Science College, Amravati Electric Mobility Programme supports peoples, with a special focus on emerging economies, in introducing electric mobility. The Programme will be a major contribution to Jadhav Solar & Automotives Pvt. Ltd. work on air quality and awareness.

This collaboration agreement/linkage come into force on the day of its signature and will be valid for three (03) years. If the parties, at least 6 months before expiration of this period, do not initiate to extend it, this agreement terminates.
