Platform: Google Classroom

Course Duration: 4 Weeks

Passing Criteria: 40% in each test

Last date for Registration: 03 Sept 2022

Online Certificate Course on “Computer Skills and IT Literacy” is the most useful course for students of all streams. This course definitely helps the students who want to operate the computer applications on their own efficiently and also to create a platform for those who want to do their career in Computer Science.

Herewith we are very much satisfied to summarize that we conducted the ad-on certificate course on “Computer Skills and IT Literacy” within the duration specified exactly. We also got a healthy response from students also. In this course a total **115** students did their registration through Google Form. Among these **115** students **65** students successfully completed the course. In this course the faculty members of our department **Mr. M. M. Bhonde, Dr. U.S. Junghare, Mr. Y. V. Hushare** delivered their knowledge by sharing the modules of the syllabus of this course.

At the end all successful students got their certificates. It is very pleasing that we got very very positive feedback from participating students.
