PERSPECTIVE PLAN FOR 2016–2020

The Shri Shivaji Education Society, Amravati, founded in 1932, by the Late Dr. Punjabrao Deshmukh, a leader of the peasants, the First Agriculture Minister of Independent India, and a member of the “Constitution Draft Committee” for Govt. of India. It is one of the premier institutions of higher education in the Amravati region. It is worth mentioning that, under its canopy, there are in all 277 institutions, including Medical, Agriculture, Engineering, Science, Law, Education as well as Higher Secondary Schools, High Schools, Middle Schools, and Primary Schools. The Shri Shivaji Education Society is indeed a major stakeholder in the field of education in Amravati region. The society has bagged many prestigious awards from the state government in recognition of its dedication in the field of education.

Shri Shivaji Science College, Amravati was established in 1958 with a combination of faculties, namely Science, Arts, Commerce, Law and Agriculture, and was separated as a science faculty in 1969, and has already completed fifty glorious years of its existence in 2008. We can proudly declare that it has indeed grown from a seedling into a tree that has not only sheltered thousands of youngsters, but also has molded them into great personalities, now scattered across the globe. During its first accreditation in 2001 the college was given an A Four-Star grade, and when reaccredited in 2015, in third cycle, it was awarded with an 'A' Grade Very Good, with a CGPA score of 3.13, by NAAC. It was indeed a great achievement. The College has also earned a special reputation for being conferred with the status of a “College with Potential for Excellence”, by the UGC, in the second phase and DST FIST programme.

Vision:

PERSPECTIVE PLAN FOR 2021–2025

The future perspective plan for the duration 2021-25 has been prepared by IQAC keeping in view the future prospects in higher education, keeping in view NEP-2020 and to offer best quality education to the students of this Amravati region.

Vision:

To develop the Institute as a Centre of Higher Learning ever abreast with the expanding horizon of knowledge in the field of Science and to facilitate the transformation of students into good human beings, responsible citizens and competent professionals.

Mission:

- To provide quality education, equip them with analytical insights, intellectual maturity, strength of purpose and willingness to work hard conforming to ethical values.
- To be a bridge between the rural-urban divide, taking the benefits of education to the poor and the marginalized, aiming at their empowerment.
- To ensure access to and equity in higher educational opportunity to all deserving and meritorious students with a preferential option for the poor and marginalized, irrespective of caste and creed.
- To attract and develop talented and committed human resource, and provide an environment conducive to innovation, creativity, team-spirit and entrepreneurial leadership.

The goals to be achieved during 2021–2025 are formulated for the development with respect to following aspects and keeping in view the NEP-2020

1. Introducing New Programmes as per NEP-20
2. Innovative Teaching – Learning Process
3. Research & Development
4. Human Resource and Management
5. Support services and facilities for Students
6. Infrastructure Development & Management
7. Extension and Outreach Activities
8. Career Guidance and Placements
9. Best and Innovative Practices
10. Management Information System
11. Alumni Relations

1. Courses/ Programmes to be introduced

- PG in Micro biology / Geology

- PG in Mathematics / Statistics
- BVOC / skill development courses
- Short Term certificate courses
- Bridge Courses
- Integrated PG Courses

Also, in view of enriching/supporting the present curriculum and value-based education following small courses/activities will be introduced.

- Enrichment of curriculum as per need at department level.
