National Sports Day – 29 August 2019

2020-21

The Department of Physical Education of the college could not organise various sports events due to the Covid-19 pandemic lockdown on 29 August, 2020. However, the department conducted on-line Sports Awareness Quiz competition for the students. The response to this competition was really splendid.

The image is a composite of two parts. The top part is a promotional poster for a 'Sports Awareness Quiz Competition' held on National Sports Day (29-8-2021) at Shri Shivaji Science College, Amravati. The poster features the college's logo, the text 'HAPPY NATIONAL SPORTS DAY', and 'Sports Awareness Quiz Competition'. It includes the date 'Quiz Competition Date – 29-8-2021' and a link for participation: <https://forms.gle/BhCx93ovYFYCripA9>. The poster also mentions the organizers: Dr. S.E. Band, H.O.D, Department of physical education and sports, and Dr. R.A. Ingole, Quiz coordinator, Director of physical education and sports. There are images of sports activities and a portrait of a man.

The bottom part is a certificate awarded to Prof./Dr./Mr./Mrs. SOHA TABASSUM of RAMAS URDU MEDIUM HAI SCHOOL. The certificate is awarded for active participation in the National Sports Day quiz competition conducted by the Department of Physical Education and Sports, Shri Shivaji Science College, Amravati, on 29-8-2021. The certificate is signed by Dr. S.E. Band (Head of Department), Dr. R.A. Ingole (Quiz Coordinator), and Dr. G.N. Choudhari (Principal). The certificate also mentions the college's accreditation (NAAC Grade 'A', UGC Awarded Status) and affiliation (Sant Gadge Baba Amravati University, Amravati (MS) INDIA). The certificate is decorated with a large yellow swan and sports equipment at the bottom.

Certificate of Quiz Competition held on the National Sports Day 2020-21

National Youth Day- 12 January

National Youth Day is celebrated in the college every year on 12 January to pay homage to the Great Swami Vivekananda by felicitating students for their various academic, sports and cultural achievements.

Department of Languages-Essay Writing Competition:

2016-17

This competition was organized to encourage the writing skills of the students and foster scientific temper among them. Every year we receive tremendous response from the students of different departments and colleges. This year the essay competition was held on 27th February 2017. The students of undergraduate and post graduate courses participated in the competition. Overall 50 entries were received from various colleges.

The topics for the essay competition were

1. The Need to Foster Scientific Temper.
2. National Saints' Attitude to Science.
3. Pradnyachakshu Gulabrao Maharaj's Attitude to Science.

Dr Dilip Arsad evaluated the essays. After evaluation, best essays were selected for prizes. The first prize was bagged by Ms. Swapnil Wighe, a student of M.Sc. I. Ms Ujwala Pakade won the second prize. To honour the achievement of winners, college organized a Prize Distribution Ceremony on 28th February, 2017. Mementos and certificates were given to the winners at the hands of honourable Mr. S. M. Khened, Director of Nehru Science Centre, Mumbai.

Celebration of Mathru Bhasha Diwas:-

Mathru Bhasha Diwas

Aim: To create awareness among students of science regarding the importance of Mother-tongue while leading life in modern age.

Objectives:

- 1) To develop communication skill in mother-tongue among the science students through various activities.
- 2) To organise various competition on Matribhasha Diwas to provide exposure to students' hidden talents.
- 3) To develop various skills regarding mother-tongue among students through various activities organised on that day.
- 4) To nurture human values, virtues and ethics in the life of students by organising competitions such as `story telling` on that day.
- 5) To promote the dissemination of mother-tongue and fuller awareness of linguistic and cultural tradition

It is said that Mother-tongue provides us wings of fire to fill this world with glow of its goodness. Hence the celebration of Matribhasha Diwas is needed. It is celebrated with great fervour and enthusiasm on 21st February every year by the Department of Languages

The invited guests illustrate the significance of the Mother-tongue in the studies of science and scientific discoveries.

Report on the celebration of Marathi Bhasha Diwas: -

It is said that Mother-tongue (Marathi) provides us wings of fire to fill this world with glow of its goodness. Hence the celebration of Marathi Bhasha Diwas is needed. It was celebrated with great fervour and enthusiasm on 28th Feb 2018 under the guidance of the Principal Dr.V.G.Thakare at Shri Shivaji Science College, Amravati.

For this function Dr.V.B.Bhatkar was the guest of honour. Professor Dr.A.W.Asole presided over the function. V.V.Hebbar, Dr.R.V. Itewad, P.V.Barabde were present on the dais. The programme was inaugurated by lighting the lamp. The students welcomed the Hon'ble guest and other respectable personalities with bouquets. On this occasion Dr.R.V.Itewad, the in-charge of Marathi Department delivered the introductory speech. He introduced the chief guest and told the students the purpose behind the celebration of Marathi Diwas. Addressing the function, the chief guest threw light on the history of Marathi language. He also illustrated the significance of the Marathi in the studies of science and scientific discoveries. In his presidential speech Dr.A.W. Asole stressed the importance of reading newspapers and Marathi books which are helpful to promote dissemination of mother tongue and fuller awareness of linguistic and culture tradition.

Ms.Shubhangi Ghuikar proposed a vote of thanks. Ms.Shraddha Chaukhande conducted the programme. It was ended with singing the `Pasaydan`. Dr. R.V.Itewad, the incharge of Marathi Department and the students of B.Sc. took efforts for the successful organisation of the programme.

Celebration of Marathi Bhasha Diwas (Marathi Language Day)

28th February - National Science Day

National Science Day (NSD) is celebrated in Shri Shivaji Science College Amravati on February 28 every year. The day is celebrated to commemorate the discovery of the 'Raman Effect' by the great Indian Physicist Sir **CV Raman** on February 28, 1928. He was awarded the Nobel Prize in Physics in 1930 for the same.

National Science Day is celebrated in our institute, on the themes decided by the authorities, is to spread a message about the importance of science used in the daily life of the people. It is celebrating to give an opportunity to the scientific minded of the science students in our institution. To encourage the students of as well as popularize science and technology, every department of our college taking initiatives and organized various activities such as essay competition, quiz competitions, science exhibitions, seminars, guest lectures, industrial visits, drawing and painting competitions, photography, etc. All the staff members and the students are actively taking part in this celebration. For the successful organization of various activities, our college constituted a separate committee under the head, "Nature and science Club".

Report of the Celebration of National Science Day 2017

Report: In commemoration of the discovery of Raman Effect by Sir C. V. Raman the National Science Day under the theme "Science and Technology for specially abled persons" was celebrated with great fervor and enthusiasm on 27th and 28th February 2017 in Shri Shivaji Science College, Amravati. The occasion was marked with a Bhumipoojan Samarambha of Dr. Panjabrao Deshmukh Memorial Science Centre on 1st March 2017.

Inauguration of the National Science Day- 2017

On 27th February, the common inauguration program of the celebration was held at 10.30 a.m. The program was inaugurated at the hands of Dr. V.S. Deogaonkar, Farmer Head, Department of Physics, Shri Shivaji Science College, Amravati, Principal Dr. V. G. Thakare presides over the function, IQAC coordinator Dr. H. S. Lunge and the National Science Day program coordinator Dr. Prashant Mandlik were present on the dias. All the H.O.D's, teaching staff, non-teaching staff and the students were prominently present on the occasion. The program was conducted by Miss Gargi Chaudhari. To mark this occasion different activities were organized by various departments after the inauguration program as under

Scientific Film Show

It was organized by department of Botany on 27th February 2017 in the laboratory. 46 students were participated in the activity and they have watched two film stories of the earth and India's Mars mission.

Intercollegiate seminar competition - Department of chemistry

Report: This competition was organized by department of Chemistry on 27th February 2017 in A.V Theatre of the college for B.Sc. II students on the topic solid state. 16 students from different colleges were participated in the competition. Dr. M. L. Narwade, Retired Professor, G.V.I.S.H., Amravati and Dr. V. M. Raut. Head Department of Chemistry, G.V.I.S.H. Amravati was acted as judges. At the end of the competition result was declared and prizes were given to the winners as Miss.Gargi Chaudhari (First), Shri Shivaji Science College, Amravati, Miss P. R. Rekhate(Second), Shri Shivaji Science College, Akot, Miss V. N. Sharma (Third) R.L.T. Science College, Akola and Miss Megha Kotak(Third), The activity was coordinated by Dr. S. K. Rithe, Associated Professor with the help of all the staff members.

Intercollegiate Seminar Competition on 27th February 2017

Competition on presentation and demonstration of Physics Experiments - Department of Physics

Report: This competition was organized by department of Physics on 27th February 2017 in collaboration with Amravati University Physics Teachers' association, Amravati for B.Sc I, II and III students. Total 53 students from different colleges affiliated to S.G.B. A. U. Amravati were participated in the competition. The students explored and illustrated the inventive methods for understanding the principles of physics through simple, innovative and illustrative experiments. Dr. A. V. Kohale, R. R. Lahoti college, Morshi, Dr. Vinod Kallyamwar Bhartiya Mahavidyalaya Amravati, Dr. Neeraj Sawala, PGTD, S.G.B.A.U., Amravati and Dr. P. R. Pande, G.V.I.S.H. Amravati worked as a jury members and evaluated the students' performance in presentation and demonstration of the experiments, throughout the day. The event was well received from all the teachers and students. The event was supported and financed by Principal, Shri Shivaji Science College, Amravati.

Based on Jury's evaluation following students bagged the prizes

B.Sc. I

First prize: Mr. Ram Kore & Saourav Dhole, Bhartiya Mahavidyalaya, Amravati

Second Prize: Miss Sghivani Dhole & Miss Pratiksha Gawhale, Shri Shivaji Science College, Amravati

B.Sc. II

First prize: Mr. Sanket Korde, Shri Shivaji Science College, Amravati.

Second Prize: Miss Priya Wankhade, R. L. T. College, Akola.

B.Sc. III

First prize: Miss Nikita Nagtode, Shri Shivaji Science College, Amravati

Second Prize: Miss Prachi Deshpande, R. L. T. College, Akola

Intercollegiate seminar competition - Department of Statistics

Report: The inter collegiate seminar competition was organized on 27th February 2017 by the Statistics department on eve of National Science Day on the theme "Statistics in Science and Technology". Ten Students from four colleges of SGB Amravati University area were participated in the competition. Fifteen minutes' time were given to each presenter. All participants presented seminar through ppt using LCD projector. Dr. D. T. Deshmukh and Mrs. Vandana Vidhale worked as a judge. The three prizes first, second and third were announced by the department. First winner was Mr. Vishal Charthad of Shri Shivaji science College, Amravati, second prize bagged by Ku Manushri Choudhary of Brijlal Biyani Science College, Amravati and Ku. Bhavana Laware of G. S. Science and Commerce College, Khamgaon received third prize. The outstation participants were given the travel allowance and working lunch was provided to all participants, judge, teachers and nonteaching staff.

The mementoes were distributed to prize winners and certificates were distributed to all participants. The teachers and nonteaching staff have taken the efforts to organize the event successfully.

Essay Writing Competition:

Report: This competition was organized to encourage the writing skills of the students and foster scientific temper among them. Every year we receive tremendous response from the students of different departments and colleges. This year essay competition was held on 27th February 2017. The students of undergraduate and post graduate (Senior) participated in the competition. Overall 50 entries had been received from colleges.

The topics for the essay competition were

1. The need of foster a scientific temper,
2. National saints's attitude to science nd
3. Pradnyachakshu Gulabrao Maharaj's attitude to science.

Dr Dilip Arsad evaluated essays. After evaluation, best essay was selected for prizes, the first prize was bagged by Ms. Swapnil Wighe, a student of M.Sc. I. Ms. Ujwala Pakade won the second prize. To honor the achievement of winners, college organize a prize distribution Ceremony on 28th February. The appreciation is the best motivation. Hence, the mementos and certificates were given to the winners at the hands of honourable Mr. S. M. Khened, Director of Nehru Science Centre, Mumbai

IQAC -Popular talk

Under the Chairmanship of honorable Adv. Arunbhau Shelke, the president, Shri Shivaji Education Society, Amravati, a popular lecture of Dr. S. M. Khened, Director, Nehru Science Centre, Mumbai was organized on 28th February 2017. Dr. M. P. Pathak and Dr. V. K. Menon of Nehru Science Centre was the guest present on this occasion. Principal Dr. V. G. Thakare, IQAC coordinator Dr. H. S. Lunge and the coordinator Dr. Prashant Mandlik were present on the dias. Dr. S. M. Khened asked the teachers to inculcate the interest and reading scientific literature among the students. He urged the students to develop experimental abilities and scientific attitude.

Dr. S. M. Khened, Director, Nehru Science Centre, Mumbai delivering his enlightening lecture on 28th February 2017

Science Exhibition Competition Report

Science and Technology for Nation Development (STND- 2017)” on the eve of National Science Day-2017 (NSD- 2017) in collaboration with DST on 28th February 2017.

Group-I) Physical & Chemical Science Models:

Number of Models = 31, Number of students participated =72

Prizes	Name of students	Class/Group	Theme of model
First	Ku. Vaishnavi A. Deshmukh	B. Sc. II PCM	Conversion of Plastic into Fuel
	Ku. MonikaN. Khandekar		
	Ku. Dimpal A. Kale		
Second	Mr. Abhishek A. Jadhav	B. Sc. III PCM	Amazing Trigonometry
	Mr. Akash S. Thakare		
	Mr. Mayruesh D. Ingole		
Third	Ku. Mansi S. Wankhade	B. Sc. II Bio	Water Heater from spoon
	Ku. Krushnal Rakhade		

Group-I) Physical & Chemical Science Posters:

Prizes	Name of students	Class/Group	Theme of model
First	Ku. Mukta P. Chopade	B. Sc. III PCM	Secret to solve the sums of Maths
Second	Ku. Shradha D. Thakare	B.Sc. III PCM	Maths in day to day life used
	Ku. Aishwarya Y. Deshmukh		
	Ku. Priyank S. Mahalle		
Third	Ku. Neha Durge	M.Sc. I Che	The Chemistry of gemstone colour
	Ku. Shamali Deshmukh		

Group-II) Life Science Models:

Models= 16 Students participates=39

Prizes	Name of students	Class/Group	Theme of model
First	Ku. Ankita R. Dhenge	B. Sc. II BTZ	Sewage Treatment Plant
	Ku. Mrunali D. Take		
Second	Ku. Rishika J. Pawar	B. Sc. I MBB	Isolation of Bacteria
	Ku. Rakshita S. Ukesh		
	Ku. Shivani K. Panday	B. Sc. I CEB	
Third	Ku. Prutha M. Sharma	B. Sc. II MBB	Isolation of Identification of Pathogen E. coli from water
	Ku. Mansi A. Sharma		
	Ku. Vaishnavi R. Sharma		

Life Science Models on display on 28th February 2017

Group-II) Life Science Posters:

In all **twenty-two** students of UG and PG were participated from the entire College in the category of Life Sciences. This competition was organized by Zoology department. Dr. J. D. Dhote and Dr. G. A. Wagh has conducted this event as a professor in-charge.

Prizes:

First- Mr. Mukund S. Fiske (B.Sc.III BTB)

Second- Ku.Snehal B.Dande (B.Sc.I BTZ)

Third- Ku. Diksha P. Gawai (B.Sc.III BIO)& Ku. Pooja D. Gawai (B.Sc.III BIO)

Life Science Posters on display on 28th February 2017

Visit to Science Exhibition:

“**Science Exhibition**” on “**Science and Technology for Nation Development (STND- 2017)**” following school children from Std. VIII & IX of Amravati city on dated **28th February 2017** at **11.00 am to 3.00 pm**

- 1) Shri. Ganesh Das Rathi High School & Junior College, Shivaji Nagar, **Amravati.**
- 2) Shri. Shivaji High School & Junior College, Shivaji Nagar, **Amravati.**

This activity is intended to bring out the excitement of scientific experiment and encourage more students to pursue higher education in **Science** subject.

Scientific poster presentation competition- Department of Zoology

Report: This competition was organized by department of Zoology in which total twenty-two students of UG and PG were participated. The competition was held on 28th February 2017. Dr. Dabhe and Dr. Kamble from S.G.B. Amravati University were judged the students. The Prize winners are Mr. Mukund S. Fiske (B.Sc. III) –FIRST, Ku. Snehal B. Dande (B.Sc.I)-SECOND and KU. Diksha P. Gawai (B.Sc. III)-THIRD. Dr J. D. Dhote and Dr. G. A. Wagh of the department has conducted this event as a professor-in-charge.

Scientific Rangoli Competition - Department of Environmental Science:

This competition was organized by department of Environmental Science on 27th & 28th Feb. 2017. The theme was **Science & Technology through Rangoli**. Total 23 students of the college were participated in the competition. Mrs. Manisha C Mohokar & Dr. Jayashree D. Dhote was judged the skill of the students. The rangoli show was inaugurated on 28th Feb. 2017 at the hands of Prof. V.G. Bhamburkar, Secretary, Shri Shivaji Education Society, Amravati and Principal Dr. V. G. Thakare, Shri Shivaji Science College, Amravati in the presence of all heads of the departments. The competition was then opened for all the students.

Scientific Rangoli Competition Photos

First Prize: Ms. Gauri Shendre (M. Sc-I, EVS)

Second Prize: Ms. Monali Vighe

Third Prize: Ms. Vaishnavi Deshmukh and Ms. Anagha Ghurde

Rock and mineral show - Department of Geology

Report: This show was organized by department of Geology on 27th & 28th Feb. 2017. The aim of the show is to expand the knowledge of rock and minerals available in India. Almost all the college students and the staff members visited to the show. The show was inaugurated at the hands of NSD Convener Dr. Prashant Mandlik in the gracious presence of IQAC Coordinator Dr. H. S. Lunge. The staff members and the students of the department were actively engaged in the show and they introduced each and every rock and the mineral to all the visitors.

Science books Exhibition-Library-:

Report: The library organized two days' book exhibition on 27th & 28th Feb. 2017. Of reference books available in the library. The librarian explained the importance of reference books during the study in different classes and their types to the visitors.

Science books Exhibition

Dr. Panjabrao Deshmukh Memorial Science and Innovation Activity Centre (SIAC)

Dr. Panjabrao Deshmukh Memorial Science and Innovation Activity Centre (SIAC) was inaugurated on an auspicious note by the Ex-chairman, Atomic Energy Commission (AES), Government of India and the renowned scientist Dr. Anil Kakodkar on 1st March 2017.

The science centre is being established by Shri Shivaji Education Society, Amravati in association with Rajiv Gandhi Science and Technology Commission, Government of Maharashtra.

“The science and technology development would lead the nation towards overall progress in all walks of life”, were the inspiring words of Dr. Kakodkar. The program was chaired by the President of Shri Shivaji Education Society, Amravati Hon’ble Adv. Arunbhau Shelke. Dr A. S. Manekar, Director-General, National Council of Science Museum, Kolkata was the chief guest on the occasion. Among the other guest Dr. S. M. Khened, Director Nehru Science Centre Mumbai, Dr. S. P. Pathak, Curator-F, Nehru Science Centre, Mumbai, Dr. V. K. Menon, Technical Officer, Nehru Science Centre, Mumbai, Dr. Arun Sapre, the member secretary, Rajiv Gandhi Science and Technology Commission, Dr. Narandra Deshmukh, scientific officer, Homi Bhabha Science Education Centre, Mumbai and Dr. Suresh Thakare, Vice-president of Shri Shivaji Education Society, Amravati, Shri Mahadeorao Bhuibhar, Vice-president of Shri Shivaji Education Society, Amravati and Prof. V. G. Bhamburkar, Secretary, Shri Shivaji Education

Society, Amravati, Principal Dr. V. G. Thakare, Prof Arun Sangole, Prof. Arvind Mangle the co-opted members of the society were present on the dias.

“I am born and brought up in this city and I am proud to be the chief guest on this occasion. I feel privileges to help this centre as it is being established in my own city”, were the valuable words by Dr. Manekar.

In his presidential speech, Hon’ble Adv. Arunbhai Shelke expressed the fulfillment of the dreams of the great visionary, the first union agriculture minister Late Dr. Panjabrao Deshmukh. His words were, ‘I am very satisfied to have this centre being established in the tenure of present executive body’. The society has donated an hector land for building the campus and borned the 25% of the total expenditure for the construction and other purpose.

On this occasion, the life members of the society, Principals of various colleges, professors and staff members of S.G.B.A.U, Amravati, school head-masters, teachers, non-teaching staff, students and elite citizens of the city were largely present. The proceeding of the function was anchored by Dr. Kishor Fule and Prof. V. G. Bhamburkar proposed the vote of thanks.

National Science Day Report on Guest Lecture Series by Chemistry Department: -

Department of Chemistry Organizes Late Dr. Nilay V. Bhamburkar Guest Lecture Series on the Eve of national Science Day.

"Late Dr. Nilay V. Bhamburkar Guest Lecture Series" 2016-17

In this session, the special guest lecture series (Late Dr. Nilay V. Bhamburkar lecture series) was organized on 14th February 2017. The speaker for the session were Dr. Mayur V. Khedkar, Dr. Shoeb R Khan and Dr. Pratik Michael from Hislop College, Nagpur.

Late Dr. Nilay V. Bhamburkar Guest Lecture Series 2016-17

2017-18

Celebration of National Science Day 2018

Inter collegiate Seminar Competition on Presentation and Demonstration of Physics Experiments:

Report: The competition was organized on this occasion of **National Science Day** (28th February, 2018). In all 30 participants from various colleges presented and demonstrated in the competition. Following students of our college brought laurels. Ms. Sanjana Dondodkar and Ms.

Mohini Rithe bagged respectively first and second prize in B.Sc. I category, Ms. Siddhali Chaware and Ms. Gunjan Watane bagged respectively second and third prize in B.Sc. II category. Mr. Sanket Korde bagged first prize in B.Sc. III category.

Inter Collegiate Seminar Competition to Celebrate National Science Day 2018

Department of Chemistry Organizes Late Dr. Nilay V. Bhamburkar Guest Lecture Series on the Eve of national Science Day.

"Late Dr. Nilay V. Bhamburkar Guest Lecture Series" 2017-18

During this session, knowledge of the students was enriched by the popular lecture of the guest faculty Dr. B. N. Berad and Dr. Nitin Raut. Also the special guest lecture series (Late Dr. Nilay V. Bhamburkar lecture series) was organized on 16th Feb. 2018 on different topics.

Late Dr. Nilay V. Bhamburkar Guest Lecture Series 2017-18

2018-19

Celebration of National Science Day 2019

Report: Shri Shivaji Science College, Amravati, every year celebrate National Science Day. The theme of the year 2019 was "Science for the People and People for Science". On the eve NSD-2019, various activities have been organized by the Departments in the College.

A NATIONAL LEVEL COMPETITION FOR SCIENCE STUDENTS and TWO DAYS WORKSHOP ON NANOMATERIAL SYNTHESIS were organized by department of Physics in association with E-Cell IIT Kharagpur / Make Intern. In all 39 students participated in the workshop.

The first day, session was started on 10:30 am with short inaugural in the presence of Head and Faculty of Department of Physics. Coordinator of the workshop introduced the mentor Dr. T. Theivasanthi to the students. The topics covered in the this session are Basic understanding, history of nano-particles to present, applications (History to present date), properties to be tuned, types of synthesis (Chemical & Biological) and advantages of being nano . In the post lunch session mentor illustrate the different method of synthesis of nano-materials. From 4:00 pm students were engaged in the hands on training for synthesis of nano-materials. They synthesized Silver, Copper, ZnS, CdS nano-materials, grapheme and nano-cellulose by chemical routes and electrolysis methods.

On the second day, session started on 10:30 am. The topics covered in the first session are functionalization -Structural and Physical properties of Nanoparticles and their scope, Conventional synthesis of nanoparticles (Metallic or Bio-nanoparticles) Methods and Practical, Characterization and functionalization of nanoparticles (theory and practical with limited infrastructure/facilities) and applications – a deep dive into the Nano-World

In the post lunch session MCQ test was conducted and top 13 students were shortlisted. The shortlisted students gave the short presentations on Nanoscience and Nanotechnology. Five best students were selected by mentor for finale round at IIT campus.

The students also characterized their prepared nano materials using UV-vis spectroscopy and XRD analysis at Central Instrumentation Cell of the college.

In the concluding session, Principal of the College Dr. V. G. Thakare distributed the participation and merit certificates to the students. In his concluding remark he thanks to the mentor and congratulate the participants. Dr. Pankaj Nagpure look coordinated the workshop under the supervision of Head, Department of Physics, Dr. Vinod Bhatkar

Department of Chemistry organized an Intercollegiate Seminar Competition on 28th February 2019 for B.Sc II students on the topics based on Sem IV Chemistry Syllabus. The inaugural function was chaired by Dr. G. N. Chaudhari, Professor and Head, Department of Chemistry. Dr.R.B.Langewar, Associate Professor, Dharampeth M.P.Deo Memorial College, Nagpur was present as the chief guest, Dr. P. R. Mandlik, secretary of AUCTA Amravati and Dr. S. K. Rithe, Coordinator of the completion were present on the Dias. Total 15 students were participated in the competition. Dr. R.B.Mohod, Associate Professor, Department of Chemistry Shiri Shivaji College, Akola and Dr. S. N. Gupta, Associate Professor, Brijlal Biyani Science College, Amravati were the jury members. The winners of the tournaments were facilitated by giving them cash prizes and certificates.

Guest Lecture of Dr.U.N.Kedia for undergraduate students on the Science Day

Department of Statistics organized a Guest Lecture of Dr.U.N.Kedia for undergraduate students. Dr. S.V. Chaudhari, HOD, Department of Statistics presided over the function. Dr. U. V. Kale introduced the guest.

Department of Environmental Science organized a visit to Rattan India Power Limited Plant:

B.Sc. III and M.Sc. Students were visited to Rattan India Power Limited. On entering the premises students were informed about the safety rules, safety equipment, and their need in the industry by the safety officers. Then the students were visited central management system where

students were informed and guided by Mr. Nimkar Sir and Mr. Abhijit Sarvayya. All the units were handled by CMS center. In CMS students were informed about the digitalization of plant. Then the students were visited ETP of the power plant. We also took a glance of cooling towers. The students visited water distillation unit and demineralize unit.

National Science Day Report on Guest Lecture Series by Chemistry Department: -

Department of Chemistry Organizes Late Dr. Nilay V. Bhamburkar Guest Lecture Series on the Eve of national Science Day.

“Late Dr. Nilay Bhamburkar Guest Lecture Series” (2018-19)

Every year a special guest lecture series organized in the memory of late Dr. Nilay V. Bhamburkar sir. For this program we had Dr. V.G. Thakare Principal Shri Shivaji Science College, as a Chair Person. Chief Guest, Hon'ble Dr. Adv. V.G. Bhamburkar has lightened the lamps. Chief guest has lightened all the corners of education, for this function there was gracious Presence of Dr. V.G. Bhamburkar ex-secretary of Shri Shivaji Education Society, Amravati Dr. G.N. Chaudhari, HOD of Chemistry Department and Dr. B.N. Berad Coordinator of P.G. Department of Chemistry and faculties of Chemistry.

The resource persons for this guest lecture series were,

- Dr. M. G. Dhonde from Mohta Science College, Nagpur. Topic- Retro synthesis
 - Dr. S. S. Dhondge from Porwal College, Kamptee Topic- Quantum Chemistry
 - Dr. R. Lanjewar- Dharampeth M P Deo Memorial College Topic- Water Pollution
- Miss A. V. Khairkar conducted the program and Miss R. S. Kherde propose the vote of thanks.

Late Dr. Nilay V. Bhamburkar Guest Lecture Series 2018-19

2019-20

Celebration of National Science Day 2020

Report: In commemoration of the discovery of Raman Effect by Sir C. V. Raman, Our College is celebrating the National Science Day every year. This year the theme of the day was **"Women in Science"**. The National Science Day was celebrated with great fervor and enthusiasm on **28th and 29th February 2020** in Shri Shivaji Science College, Amravati.

This year the celebration was twofold, first the ‘**Science Awareness Programme for School Students**’ – at Dr. Panjabrao Deshmukh Memorial Science and Innovative Activity Centre, Near Shri Shivaji Horticulture College, Amravati and second, individual departmental programs such as Seminars, Quiz Competitions, Guest Lectures- at departmental level in the college.

Science Awareness Programme for School Students’ – at Dr. Panjabrao Deshmukh Memorial Science and Innovative Activity Centre

On **28th February**, the common inauguration program of the celebration was held at 10.30a.m. The program was inaugurated at the hands of Dr. N. V. Bhatkar Madam, Head Department of Zoology, Shri Shivaji Science College, Amravati. Dr. V B. Bhatkar presided over the function. IQAC coordinator, Dr. H. S. Lunge and the National Science Day program coordinator, Dr. P. R. Mandlik were present on the dias. The occasion was marked by Golden speech of the Inaugurator Dr. N. V. Bhatkar. All the, teaching and non-teaching staff and students were prominently present on the occasion. The program was conducted by Incharge Shri Charudatta Gawande, Ex- Head Master, Shri Shivaji Multipurpose School, Amravati. In the whole day students of 8th and 9th standard from different schools of Amravati city with teacher in-charges visited the centre and enjoyed all the exhibits meticulously. Total 224 students visited from Kasturba Kanya High School, Amravati; Shri Shivaji Ideal School, Shivaji Nagar, Amravati; Shri Shivaji Multipurpose High School, Shivaji Nagar, Amravati and Ganeshdas

Rathi High School, Amravati. In the second fold, on this occasion different activities were organized by various departments as under:

Celebration of National Science Day by SHRI SHIVAJI SCIENCE COLLEGE, AMRAVATI: -

Report: National Science Day was celebrated by Sharing Syllabus Oriented Video for Schools (STD VII to X) prepared by BSc II PCM Students and Followed by Quiz based on Videos for School Children and Issuing E-Certificate on Submission of Quiz.

Demonstrations of Basic Scientific Concepts to the School Children

Science Day Celebration by Sharing Syllabus Oriented Video for Schools (std. VII to X) prepared by BSc II PCM Students Followed by Quiz based on Videos for School Children and Issuing E-Certificate on Submission of Quiz.

Number of Participants: 67 students (BSc II M+PHG)

Number of Beneficiaries: HIGH SCHOOL CHILDREN from 27 SCHOOLS (Standard VII to X).

VIDEO LINK: <https://youtu.be/hyE1vU8wnP0>

Quiz: [based on videos](#)

https://docs.google.com/forms/d/e/1FAIpQLScp1AuBpx5RML3Wc9UX_hAjOXu9BI-L8_Gz0B49kihOvxLasg/viewform

DEPARTMENT OF CHEMISTRY celebrated NATIONAL SCIENCE DAY from 3rd March to 10th March 2021 by sharing the syllabus oriented video on Demonstrations of Basic scientific concepts by the B. Sc. II year students for the School Children, Under Science Awareness Programme -2021. A Step Towards Socialising the U.G. students and Promoting Science among the school children. During the COVID PANDEMIC our efforts were to acquaint the school students with Demonstrations of Basic scientific concepts, experience the laboratory ambience and Communicate scientific ideas.

This is a twofold activity – An activity by the B. Sc. II year students demonstrating basic concept in science through the video to the school children of Standard VII to X. Out of fourty videos received top thirteen were sorted out for the school children. Principal Dr. V.G. Thakare presided over the function as the Chairman, Prof and Head of the department of Chemistry Dr. G.N. Chaudhari as a Convener. The introductory remarks were given by Organizing Secretary Dr. Anjali.B. Bodade Based on demonstration the students are expected to solve the Quiz of 80. On solving the quiz E-Certificate is issued. Shri Shivaji Education Society appeal the school teachers to circulate the Links of Video on Demonstrations of Basic scientific concepts and QUIZ to the students. Online Certificate will be issued on successful submission of the quiz.

Video Link- <https://youtu.be/hyE1vU8wnP0>

Quiz:https://docs.google.com/forms/d/e/1FAIpQLScp1AuBpx5RML3Wc9UX_hAjOXu9BI-L8_Gz0B49kihOvxLasg/viewform

OBJECTIVES: 1) To encourage and enable students to Develop inquiring minds and curiosity about science and the natural world. 2) Acquire Knowledge, conceptual understanding and skills to solve problem. 3) Communicate scientific ideas

The activity was carried out in two phases.

Phase- I Video was circulated through WhatsApp to the students of BSc. II guiding them about the rules and the topics to be covered in five minutes’ span. Each topic was explained in detail and text was provided. Students participated with enthusiasm and received good response. Out of fourty videos received top eleven were sorted out for the school children.

Phase-II Top Eleven videos were circulated to the 300 schools of Shri Shivaji Education Society, Amravati. Based on these demonstrations a Quiz of 80 questions was framed for evaluation. Link to the Quiz was provided through the Principal of the schools. On solving the quiz E-Certificate was issued as a mark of evaluation of the knowledge acquired and Appreciation for participation. Topics covered:1) Study of Hydrocarbons by Mr. Abhishek shelke 2) Polar Satellite Launch Vehicle by Mr. Shubham Jadho 3) Periodic Trends by Ku. Misba Patel 4) Revolution of earth seasons by Ku. Vaishnavi Lonarkar 5) Newton’s Law of Motion by Miss Rucha Dakhore 6) Scalar versus Vector Quantity by Mr. Anand Umale 7) Stress Management by Miss Dipti Thakare 8) Bonding by Mr. Shitij Patkar Link for the Video 9) Biotechnology by Arpit Kale 10) Conical Pendulum and its Expression by Sanskruti Khandare 11) Eco-System by Miss Anagha Rathod 12) Solutions for Global Warning by Miss Pallavi Chandure 13) Photometry by Miss Rudrani Barabde. At the end, the school children should solve the QUIZ. The online Certificate were issued on successful submission of the quiz. Link for online Quiz was submitted.

OUTCOME-

- Demonstration and technical Skill.
- Awareness about social responsibility.
- During Covid Pandemic -19 the students experienced the ambience of Laboratory through demonstration.
- Students learnt to describe and discuss ways in which science is applied and used to solve local and global problems.
- Laid the foundation of basic concepts.
- Describe and evaluated the benefits and limitations of science and scientific applications as well as their effect on life and society.
- Learnt how science and technology are interdependent and assist each other in the development of knowledge and technological applications.
- Came to know how science and its applications interact with social, economic, political, environmental, cultural and ethical factors.

List of the students:

8th March – International Women’s Day Celebration

2016-17

On World Women's Day-2017, girls students & faculty members of the Department of Environment Science participated in Walkathon organized by Amravati Gynecological Association on 8th March, 2017, under an MOU of the department.

Girls students of the college being guided by the gynaecologists

2018-19

Workshop on Right decision on Right Time (infertility) Balance for Better

Workshop on Right decision on Right Time (infertility) was arranged by Department of Chemistry on 8th march 2018 in the C.V.Raman Hall. Renowned gynaecologist of the city Dr.Pranjal sharma guided the student on important burning issue todays scenario infertility. Interactive session with the student was held and student curiosity was solved.

Diverting the attention of the students on the theme Dr Pranjal Sharma very well explained in a lucid way and focusing on the very important aspect of life that while in the career making days how important it is to take into account the fertility period together with nutrition and diet to lead a healthy and a happy life point. Man and women have equal status in society and progress of nation depends on well balanced growth of both men and women.

Gynaecologist Dr. Pranjal Sharma guiding the student on the important burning issue of growing infertility

One-day Workshop on Right decision on Right Time (infertility)

2019-20

Women's Day Celebration-2020 On 12th March 2020 (Theme: - Generation Equality and Women's Rights)

To acknowledge the women in science who excelled in their own field, Post Graduate Teaching Department of Chemistry organised a guest lecture on **“Project Guidelines, Research Paper Writing and Publication”** for the PG students of Chemistry and Physics under the convenership of Dr. Anjali B. Bodade

on dated 12th March 2020. The Speakers Dr. Jagruti Barabde and Dr. Manisha Kodape from department of Chemistry Sant Gadge Baba Amravati University, Amravati were welcomed by offering them a memento.

Dr. Jagruti Barabde, Ass. Prof. Dept of Chemistry, Sant Gadge Baba Amravati University delivered a guest lecture on the topic of Project Guidelines who highlighted in details how to carry out the project work and the hour glass nature of research. While Dr. Manisha Kodape guided the students on research paper writing and publication.

The event was graced by the precious presence and support from Principal Dr. V. G. Thakare, Prof. Dr. B. N. Berad, PG Co-ordinator, Prof. and Head Dr. G. N. Chaudhari, Dr. A. S. Burghate , Dr. Y. S. Thakare, Dr. Nilima Kalambe, Dr. Vrushali Kinhikar, Dr. Shruti Ingole, Dr. Rupali Tale, Dr, Archana Bodade, Miss Shraddha Bute, Dr. Varsha Zade.

The programme was smoothly conducted under the guidance of Miss Pallavi Dabhade. Vote of thanks was expressed by Miss Maseera Anam HR Naqvi.

2020-21

Report on Women's Day Program 2020-21

Shri Shivaji Science College, Amravati

International Women's Day-2021

Report of Program Executed

Date: 08/03/2021

Respected sir/madam,

We are pleased to submit this report; **Webinar** was organized in our college on the occasion of "International World Women's Day". The online event was organized by the **Women's Empowerment Committee** of our college. This year theme is "Women in Leadership, Achieving an Equal Future in a COVID-19 World "

Dr. V.G.Thakare, Principal, Shri Shivaji Science College, Amravati contributed chairperson of the programme. As well as being a prominent presence, **Dr. Deepali Chinchole**, Managing Director, Accord Hospital, Pune was resource person.

In the beginning of the program, introductory speech was given by Dr. Jayashree Dhote. Dr. Rupali Patil Bhagat introduced guest. Anchoring platform was successfully run by Dr. Mayura Deshmukh. **Dr. Deepali Chinchole** gave a detailed guidance on the topic of "Women Wellness in Pandemic" through Power Point Presentation to all the attendees. In the present case, women have given many examples of how much attention they have to this matter, in simple

Women's Day Program Report 2020-21

and straightforward terms, referring to the events experienced in their medical profession. Dr. Deepali advised that a woman living in a family be healthy with her nutrition, guided on common health issues that a women face and how one can take care about breast cancer, ovarian issues and lead a happy life.

The participants were ladies staff of Junior, Senior and U.G.,P.G.girls students in the webinar in full swing and gave very good response in question answer session. Dr. Meetali Dandge (Kalambe) expressed vote of thanks. To carry out this program successfully, Dr. Jayashree Dhote, Dr. Rupali Bhagat Patil, Dr. Meetali Dandge(Kalambe) Dr. Mayura Deshmukh, taken the hard efforts. The event along with the Pasaydan sung by Dr.Rasika Jane.

Women should not neglect their own health: Dr Deepali Chinchole

■ Shri Shivaji Science College, Amravati, organises webinar on Women's Day

■ Amravati Bureau
AMRAVATI, Mar 13

A WEBINAR was organised in Shri Shivaji Science College, Amravati on the occasion of International Women's Day. The online event was organised by the Women's Empowerment Committee of the college through Zoom platform. This year theme was 'Women in Leadership, Achieving an Equal Future in a COVID-19 World'.

Dr V G Thakare, Principal of Shri Shivaji Science College, chaired the programme. Dr Deepali Chinchole, Managing Director of Accord Hospital, Pune, was the resource person.

At the beginning of the programme, introductory speech was given by Dr Jayashree Dhote, Convener of Women's

Dignitaries participating in the webinar.

Empowerment Cell. Dr Rupali Bhagat introduced the guests.

Dr Deepali Chinchole gave a detailed guidance on the topic of 'Women wellness in pandemic'. She gave many examples on how women often neglect their own health. Speaking of the health issues among women like breast cancer, ovarian complications etc, she said that family should ensure that the woman in the house is healthy.

Dr V G Thakare expressed his views and also wished all women on the occasion of Women's Day.

The participants included female staff from junior college, senior college and under graduate, post graduate and research girls students.

Dr Mayura Deshmukh conducted the session. Dr Meetali Dandge (Kalambe) proposed a vote of thanks. Dr Jayashree Dhote, Dr Rupali Bhagat, Dr Meetali Dandge (Kalambe) and Dr Mayura Deshmukh took efforts for the success of the session. The event concluded with a *pasaydan* presented by Dr Rasika Jane.

Ozone Day

2016-17

Rally on the Ozone Day: - “Ozone Day Celebration” on 16th Sept.2016

The Department of Environment Science had organised cycle rally in collaboration with N.S.S., N.C.C., Environmental Cell and Green Berets to encourage students to use bicycle to lower air pollution due to fossil fuel.

Cycle Rally organised by the NSS Volunteers on the Ozone Day on 16.09.2016

Cycle Rally organised by the NSS Volunteers on the Ozone Day on 16.09.2016

2017-18

Report: “Ozone Day Celebration” (16th 2017 Sept.) Ozone Day was celebrated on 16 Sept. 2017, at Shri. Shivaji Sci. College, Amravati. Theme was to create Awareness about the ozone layer its importance and threats. All staff members and students of college participated in the event. Students and staff distributed cloth bags to the staff and visitors, with a message to eradicate plastic and encourage the use of cloth bags to minimize pollution.

Ozone Day Celebration on 16th September, 2017

Students and staff distributed cloth bags to the staff and visitors on the Ozone Day 16th September, 2017

2018-19

Report: “International Day for the Preservation of the Ozone Layer”, was celebrated on 18 Sept. 2018, at Shri. Shivaji Sci. College, Amravati. A poster painting competition was organized for the school children from Sai Baba Vidyalaya, Kasturba Kanya Vidyalaya and Shri. Shivaji Multipurpose High school and the students from the UG and PG dept. of Environmental Science with the Theme & quot; Plastic eradication & quot; All staff members and students of college and the school participated in the event.

INAUGURATOR: Dr. N.V. Bhatkar, Head Zoology Dept. SSS college, Amt.

Other Guests Present: Dr. V.U. Narnaware, Mrs. Shubhangi Gawande, Mr. Tale Sir, Mr. Lande Sir.

No. Of Students Present: About 150

Department of Environmental Science celebrated ozone day on 18th sept. 2018 by organizing school and college level wall magazine competition (Them- Plastic Ban) in the department. Kasturba Kanya Vidyalaya, Saibaba Vidyalay, Shivaji Multipurpose Higher School & under graduate and post graduate level student of shri Shivaji Science College. Plastic Bandi- theme given to all students for this competition. Total entry for the competition were 85.

Dr. N.V. Bhatkar, Head, dept. of Zoology, was the inaugurator and the president of the programme. Sau. Shubhangi Gawande, Head mistress of Kasturba Kanya School was the chief guest. Shri Tale Sir of Saibaba Vidyalay, Shri Lande Sir, of Shivaji Multipurpose High School & Jr. college and Mrs. Dhage Madam of Kasturba Kanya School were present along with their student for the programm. Mrs. Vaishali Narnaware, Asso. Prof., Dept of Env. Sci., Art, Sci &Comm. Colleg,e Kiran Nagar,Amt. worked as judge for the wall magazine competition.

The prize distribution also held in the dept., winner students were awarded with memento & certificate. 7 students were selected (2 from each age group) & one special prize was given to grade 2nd student Yatharth Gawai.

In the programme, Gawande mam conveyed student that ozone layer is a shield which protect us from harmful UV radiation. So it is our duty to protect it by avoiding use of plastic. Dr. N.V. Bhatkar told students that use of CFC free equipments, avoid use of plastic is necessary to avoid its consequences as skin cancer, cataract, global warming.

After the programme, the principal of the college, Dr. V.G. Thakare & Dr. V.B. Bhatkar, Head, Dept of Physics visited the dept. And appreciated and congratulated all students. B.Sc. IIIyr student Mr. Mohit Kale anchored the programme. Head of department Dr. S. P. Ingole propose vote of thanks.

Celebration of Ozone Day by the Dept.of Environment Science on 17 September, 2018-19

2019-20

“International Day for the Preservation of the Ozone Layer”, was celebrated on 16 Sept. 2019. On this occasion walkathon was organized in collaboration with NSS, NCC and sports Dept.

SHRI SHIVAJI AGRICULTURE COLLEGE, AMRAVATI

Jointly Organizes under memorandum of understanding

WORLD OZONE DAY-2021

Theme: World Ozone Day-2021 is “Ozone for Life: 36 Years of Ozone Layer Protection.”

The date of the event: 16 September 2021.

World Ozone Day is celebrated on September 16, every year. It is celebrated to spread awareness among people about the depletion of the Ozone Layer and search for possible solutions to preserve it. On this day, people from all over the world are expected to join the Montreal protocol to join the talks and seminars.

WORLD OZONE DAY-2021 is celebrated every year on 16 September in Department of Zoology. Shri Shivaji Science College, Amravati and Shri Shivaji Agriculture College, Amravati jointly organized Online WORLD OZONE DAY-2021. The Participants have to use only waste materials to prepare nest. Participants have to submit Image of prepared Bird Nest and Selfie with Nest was aimed to promote awareness regarding the wildlife species and for their conservation in the natural habitat.

Dr R.G. Jadhav and Dr. G. A Wagh were the convener and the co-convener of the program, respectively. Dr. G.D. Hande was the Organizing Secretary of the event. The technical committee members of the program were Dr S.J. Kawade and Ms A.R. Rajoria.

Dr R.G. Jadhav, Chairperson of the program, gave an introduction about the theme of the Program. Dr. J.D. Dhote gave an introduction about the Chief Guest and Speaker Dr. Sukdeb Pal Principal Scientist, Wastewater Technology Division, CSIR-NEERI Associate Professor, Academy of Scientific and Innovative Research Nagpur 440020, India. Dr S.J. Kawade introduce the chief guest and Ms A.R. Rajoria proposed the the vote of thanks.

269 participants attended the lecture which included the staff member of the department and the college, the Undergraduate and the post graduate students.

Brochure of the Ozone Day Program 2021

It absorbs most of the sun's ultraviolet radiation (UV-B), limiting the amount of this radiation that reaches the surface of the Earth. Because this radiation causes skin cancer and cataracts, the ozone layer plays an important role in protecting human health.

About Chiefguest and Speaker Dr. Sukdeb Pal

Dr. Sukdeb Pal is currently working as a Principal Scientist in the Wastewater Technology Division of CSIR-NEERI, Nagpur, and is leading the NABL-Accredited Wastewater Laboratory of the institute as the Technical Manager. He is also serving as an Associate Professor of Chemical Sciences in Academy of Scientific and Innovative Research (AcSIR). He obtained his PhD in the area of Nanotechnology from Seoul National University, Seoul, South Korea and then performed his postdoctoral research at Applied Pharmaceutical Sciences Research Division, Seoul National University. He worked in quite a few industrial and academic research institutes both in India and abroad including Hindustan Unilever R&D Centre, Nanobiosensor Laboratory at Department of Chemistry, Chungnam National University, Biochip and Bioimaging Laboratory at Seoul National University, Nanomedicinal Lab at the Research Institute of Pharmaceutical Sciences, Seoul National University. He is the recipient of Excellent Performance Award (in Research) by Hindustan Unilever Limited, Brain Korea 21 (BK21) Scholarships for Graduate Students, Excellent Research Award by BK21, BK21 Postdoctoral Fellowship, Early Career Fellowship from Wellcome Trust-DBT.

Brochure of the Ozone Day Program 2021

Shri Shivaji Science College Amravati:

Shri Shivaji Science College, Amravati is an educational institute run by Shri Shivaji Education Society, Amravati. The college was established in 1969. Now Shri Shivaji Science College, Amravati evolved as premier institution for imparting formal education in the science stream and is affiliated with Sant Gadge Baba Amravati University, Amravati. The college offers Junior, under Graduate, Post Graduate, Research level education, Career Oriented Courses and B.Voc. Courses are also the part of the faculty of science. The college is re-accredited by NAAC with 'A' Grade with a CGPA of 3.13(Third Cycle). The College has also earned a special reputation for being conferred with the status of a "College with potential for Excellence" by the UGC for second phase. The college is identified by DST, Govt. of India for FIST and Sant Gadge Baba Amravati University as lead College.

About Shri Shivaji Agriculture College, Amravati:

Shri Shivaji Agriculture College, Amravati was established in the year, 1959 by Late Dr. Panjabrao alias Bhaushaeb Deshmukh (Ex-Union Agriculture Minister). This College is run by Shri Shivaji Education Society, Amravati, which is the largest Educational Society in Vidarbha. The College was affiliated to the Nagpur University up to 31st May, 1968. On account of establishment to Maharashtra Agricultural University, this College was disaffiliated from Nagpur University and stood affiliated to Maharashtra Agriculture University.

Then, subsequently, Dr. Panjabrao Deshmukh Krishi Vidyapeeth, Akola was established w.e.f 20th October, 1969, from which date it is affiliated to this University. This college has been providing instructions up to B.Sc. (Agril) degree course and for M.Sc. (Agril) course in the disciplines of Agriculture Economics and Agriculture Extension.

About Ozone Day:

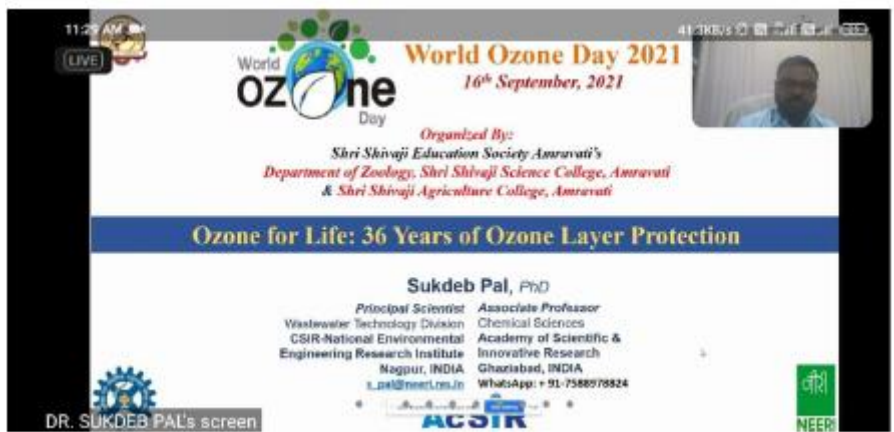

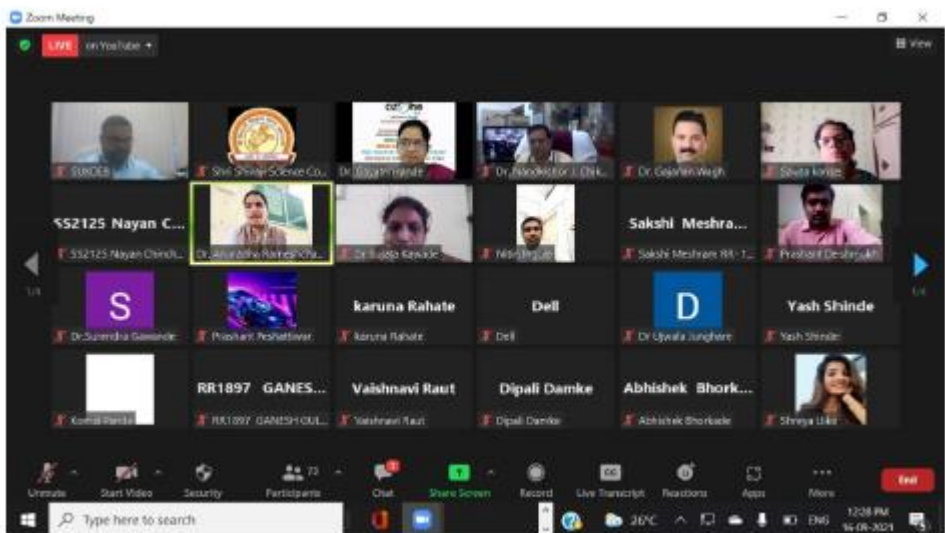

World Ozone Day is observed on September 16, every year. It is celebrated to spread awareness among people about the depletion of the Ozone Layer and search for possible solutions to preserve it. On this day, people from all over the world are expected to join the Montreal protocol to join the talks and seminars.

In 1994, the General Assembly proclaimed 16 September as the International Day for the Preservation of the Ozone Layer, commemorating the date in 1987 on which the Montreal Protocol on Substances that Deplete the Ozone Layer was signed.

Life on our planet as we know would not be possible without the ozone layer. Ozone is a highly reactive gas found in the upper layers of the atmosphere and protects life on earth from the Sun's harsh ultraviolet rays.

World Environment Day 2020 Four Day Webinar Series - Certificate

2020-21

Online Webinar for UG, PG & Research students on 5th June 2021 on the eve of “World Environment Day - 2021”

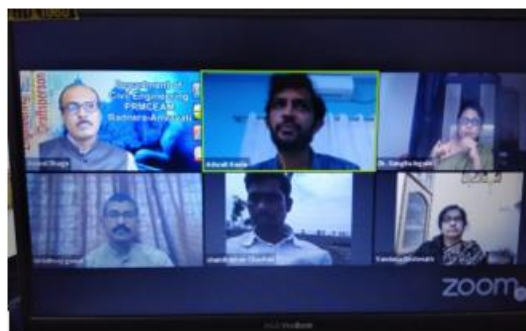

Objective: “To arouse awareness in the society through students to conserve & protect our Environment.

Activity conducted:

On the Eve of "World Environment Day 2021" Dept. of Environmental Science, Shri. Shivaji Science College, Amravati in collaboration with Dept. of Geography, Shri Shivaji Arts & Commerce College Amravati, organized Online Webinar for UG, PG & Research students on 5th June 2021. Students were informed & brochure of the programme was sent on what's app groups. Zoom links for registration, for joining the webinar and YouTube live link were also shared with students. Prof. Pravin Khandve, Head, Dept. of Civil Engg., Prof. Ram Meghe College of Engg. And management, Badnera and Mr. Adwait Keole, Environmentalist & Alumni of our Department were present as speakers of the webinar. Dr. Vandana Deshmukh, Head, Dept. of Geography, gave the introductory speech of the programme. Dr. Sangita Ingole, Head, Dept. of Environmental Science introduced the guest. Prof. Khandve guided students on the topic "Green Building: A new concept" He told that by using the windows, ventilation, rainwater harvesting, reuse of water, use of solar powered equipment, conversion of household waste into bio compost, we can convert our home into a sustainable green building. He also urged the audience to use manufactured sand instead of natural sand while constructing house. Mr. Adwait Keole spoke on the topic "Hidden world of Caves". He said that there is need of research in the field of caves. He explained the topic in detail and throws a light on the new concepts like cavers, stalactite, and stalagmite in a simple language. He shared some thrilling photographs related to caves with students. Near about 150 students attended the webinar. Programme anchoring and vote of thanks was given by Dr. Kirtidhvaj Gawai. Prof. Khandve managed the work of admin for the programme. Faculty member Mr. Vikrant Butel work hard for the successful conduction of the programme.

Report of the Online Webinar on the eve of “World Environment Day - 2021

Outcome: Students learnt about the concept of green buildings, how to make our home into a green building, about manufactured sand. Students also learnt about caves such as time period it required, how they form, new concepts related to caves etc.

International Tiger Day:

2019-20

Department of Zoology of the college celebrates International Tiger day on 29 July every year.

2020-21

International Tiger Day

Report: World Tiger Day is celebrated every year on 29 July. For the same, Department of Zoology, Shri Shivaji Science College, Amravati organized a guest lecture on 30 July at 3.00 pm on the theme “Their Survival in our hands”. The guest lecture was aimed to promote awareness regarding the declining population of the tiger species and for their conservation in the natural habitat.

The Chief Guest of the lecture was Dr Ramzan Virani, M.Sc., M.Phil., Ph. D., B.Ed. He is a conservation ecologist expert in handling man animal conflict. The topic for the lecture was “Tiger Conservation: Facts and Fancies”. Dr R.G. Jadhav and Dr. G. A Wagh were the convener and the co-convener of the program, respectively. Dr. J.D. Dhote was the Organizing Secretary of the guest lecture. The technical committee members of the program were Dr G.D. Hande, Dr. R.P. Bhagat, Dr S.J. Kawade and Ms Pratiksha Puranik.

Dr R.G. Jadhav, Chairperson of the program, gave an introduction about the theme of the Program. Dr. J.D. Dhote gave an introduction about the chief guest Dr. Ramzan Virani. Dr S.J. Kawade hosted the program and Ms Pratiksha Puranik gave the vote of thanks.

Approximately, 100 participants attended the lecture which included the staff member of the department and the college, the Undergraduate and the post graduate students.

The programs started with the welcome of all the participants and by the introduction of the program. Dr Ramzan Virani, a conservation ecologist, is currently working as an Assistant Professor at Shivramji Moghe Arts, Commerce and Science College, Pandharkawada. As an ecologist, he has worked to establish critical wildlife habitat at Isapur Wildlife Sanctuary, Tipeshwar and Painganga Wild life Sanctuary. During his guest lecture, Dr Virani spoke about the majestic Key stone species – Tiger, and the reason for the decline in its population. Dr Virani reported - people and Tiger sharing the same resources as the main reason for man - tiger conflict, along with deforestation, and hunting for tiger body parts, as the major reasons for the decline in this wild cat population. He also talked about the smart conservation processes like GIS for location and conservation of the tiger species.

Vote of thanks was given by Ms Pratiksha Puranik and the program concluded at 4.30 pm.
