MENSTRUAL HYGIENE DAY**Date -21 May 2021****Beneficiaries – COC, U.G., P.G. Girl students.**

Every year Career oriented course in cosmetology under the Department of Chemistry celebrates **Menstrual Hygiene Day** –a global event aimed at promoting the importance of safe menstrual hygiene management to create awareness amongst the fresher’s. The global theme for the Menstrual Hygiene Day 2021 was “**We need to step up action and investment in menstrual health and hygiene now!**”

Covid -19 pandemic has demonstrated that menstrual hygiene is a multifaceted challenge in India. Lack of access to period products was just at the tip of the iceberg when it came to the impact of the corona virus crisis on period health. Due to pandemic the past year has made it more difficult than ever to safely manage their periods. Sanitary pads were not included in the governments list of essential items, a number of barriers to accessing sanitary products. Awareness about different home -made and readymade sanitary products available, maintenance of hygiene during periods and the myths about menstrual hygiene was created by circulating a PPT on **Menstrual Hygiene** to the students.

For helping needy and studious students, NSS volunteers collected scrap papers from college, staff members and from student’s homes and sell them in market and raised some handsome fund to purchase the bicycles. The deserving meritorious and needy girls students were selected and gifted with new bicycles with the hands of Principal Dr. V.G. Thakare on the auspicious day of Indian Independence. This was one of the most innovative work done by NSS and college authorities and perhaps more as other colleges and NSS Units maybe lining up to help their poor and needy students. It is a great encouragement for all of us to spread the spirit of love and support.

Impact: Cycle Recycle’ is a social initiative and helping bridge to the gap between the luxuries of the rich and the necessities of the poor. People are coming forward to help the needy by just donating few scrap material and NSS use the theme from waste to the best.
