Name of the Event: AIDS Awareness Program

Date: 1 December 2020

No. of students participated: 72

As a Member of Red Ribbon Club, every year, on 1st December, World AIDS awareness program was organized by Red Ribbon Club and NSS unit of the college on the occasion of “World AIDS Day”. This year online Zoom AIDS awareness campaign was conducted and oath was taken by the students in collaboration of District General Hospital. Red Ribbon Club. is a movement started by the Government of India in schools and colleges through which, students will spread awareness over HIV / AIDS. World AIDS Day is an opportunity to show solidarity with the millions of people living with HIV worldwide. Most people do this by wearing an HIV awareness red ribbon on the day. It’s an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness.

Impact: Awareness for HIV AIDS is important because it prompts the public and government that HIV has not gone away – there is still a vivacious prerequisite to elevation money, increase awareness, fight prejudice and improve education and make people aware for prevention and anticipation.
